Farmer Stricken Speechless—Off
For Paris—Four deaths in One
Family.

Mr. Joseph Cook, a well known farmer who lived about three miles northeast of Crofton on McFarland creek, died very suddenly Friday afternoon. He was 65 years old and had been enjoying very good health for some time. Friday morning he was attacked with something like epilepsy and in a few minutes became totally paralyzed. He never spoke after being stricken and died in a few hours. Mr. Cook was a very popular and useful citizen and leaves a large family, besides a host of friends. The burial took place Saturday afternoon at Flat Rock.

FOUR OF A FAMILY

Fall Victims of Pneumonia Within
Four Days.

Four deaths in one family within four days is the record reported from North Christian last week. Mr. James White, postmaster at Ax, and his entire family had been down with the measles. Pneumonia followed and on Wednesday his oldest daughter, Miss Rosa White, passed away. On the following day Mr. White died and on Friday two of his sons, aged 14 and 16, succumbed to the disease. Mrs. White is quite sick and her only daughter is very ill, with hardly a hope of recovery.

Mr. White was about 65 years old and had been in charge of the postoffice at Ax since its establishment. His daughter was 18 years old and very popular with all.

The surviving members of the family have the sympathies of a large circle of friends in their quadruple bereavement.

Johnson was indicted at the last term of court along with Henry Slaughter, Wiley Johnson, Frank Rives and Buss Radford, but fled to Tennessee and was arrested by L. C. Darnell, a constable of Montgomery county. The officer accompanied by constable Rees, of Bell, arrived here Friday morning with the prisoner and he will be tried at the June term. The other four men indicted were each given three years in the penitentiary, but have appealed, and are still confined in jail.

ONE KILLED.

Bloodshed At Slaughtersville
Sunday Night.

A Drunken Excursionist Shot
Dead While Filling His
Pockets With Rocks.

Morgan Boone, a negro man 32 years old, from Trenton, Ky., was killed at Slaughtersville Sunday night about 8 o'clock.

He had recently been running a pool room in Madisonville and went to Henderson on an L. & N., excursion train from this place Sunday morning. A large crowd, mostly negroes, was in the 12 coaches of the excursion train.

After leaving Henderson on the return some disorder occurred in one of the coaches in which a number of negroes engaged. Several shots were fired in the car before reaching Slaughtersville. When the train stopped there Boone got off and was filling his pockets with rocks. Officers came up and attempted to arrest him and in the darkness and confusion several shots were fired and Boone was killed instantly. It is not known whether officers killed him, or some one who fired from the car. Boone was blind drunk and many others were in the same condition.

The negro's body was left at Slaughtersville and taken to Trenton yesterday evening for interment.

DR. D. E. BELL

Tipped as a Winner for Superin-
tendent of the Western
Asylum.

A Frankfort special says Gov. Beckham will this week appoint Dr. J. S. Redwine, of Breathitt county, Superintendent of the Eastern Asylum and Dr. D. E. Bell, of this county, Superintendent of the Western Asylum.

Dr. Bell is a leading physician of this county, who comes of a family of doctors. He is a son of Mr. John H. Bell, of this city, and is about 38 years of age, and has had more than 15 years successful experience as a physician.

Gov. Beckham is authority for the statement that Dr. Bell is better endorsed for the position than any applicant for the place. He has the endorsements of ex-Congressman Clardy, of the district members of both the State Executive and State Central Committees, the Chairman of the Christian County Committee, the Western member of State Election Board, and Senators, representatives and prominent leaders all over Western Kentucky. His local endorsements includes about all of the prominent Democrats in the city and county. His appointment, if made as predicted, will be very gratifying to Democrats generally. It has been understood for some time that the fight, in which there were originally a dozen entries, had narrowed down to Dr. Bell and some outside man.

The Democrats of Christian county feel that the great record they made last year in reducing the Republican majority, entitles them to substantial recognition, and great satisfaction will be felt at the reported decision of the Governor in this matter.
